

Grant Hart, A Letter From Anne Marie

Couldn't take a message but you made me take the guilt
You made me cry for every drop of milk that I had spilt
I couldn't get enough of something as it was to read
Then I got this letter, I got this letter
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
She told me just how beautiful she wanted it to be
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
Anne Marie is so feline Anne Marie is such a kitten
Anne Marie puts love in every letter she has written
With her family far and in a family way
Well she told me that she missed him
It's hard to keep in touch together
With just the U.S. postal system
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
She told me just how beautiful she wanted it to be
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
Every day but Sunday he comes bringing her the mail
Six days a week, all kinds of weather, never fail
Every day but Sunday he walks on and on for blocks
Big stack of envelopes, going to stick them in her box
Well I go down to the mailbox and each day I take a look
But all I ever see there is a bill from Meadowbrooke
I go there every morning on the outside chance there'll be
A letter from you know who, you know who's been writing to me
I got a letter from Anne
A letter from Anne
A letter from Anne Marie
A letter from Anne
A letter from Anne
A letter from Anne Marie
She told me just how beautiful she wanted it to be
I got a letter from Anne
A letter from Anne
A letter from Anne Marie...
