

Grant Lee Phillips, Across The Universe

Words are flying out like endless rain into a paper cup
They slither while they pass make their way across the universe
Pools of sorrow waves of joy are drifting through my open mind
Possessing and caressing me

Jai Guru Deva Om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
They tumble blindly as they make their way across the universe

Jai Guru Deva Om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Sounds of laughter shades earth riding through my open ears
Exciting and inviting me
Limitless undying love which shines around me like a million suns
It calls me on and on across the universe

Jai Guru Deva Om

Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
