

Grant Lee Phillips, Beware Of Darkness

Watch out now take care
Beware of falling swingers
Dropping all around you
The pain that often mingles
At your fingertips yeah yeah
Beware of darkness

Watch out now take care
Beware of thoughts that linger
Winding up inside your head
The hopelessness around you
In the dead of night night
Beware of sadness

It can hit you
It can hurt you
Make you sore and what is more
That is not what you are here for

Watch out now take care
Beware of soft shoe shufflers
Dancing down the sidewalks
As each unconscious sufferer
Wanders aimlessly
Beware of Maya

La la la

Watch out now take care
Beware of greedy leaders
They take you where you should not go
While weeping Atlas Cedars
They just wanna grow oh oh oh
Beware of darkness beware of darkness
