

Grant Lee Phillips, Isolation

People say we got it made
Don't they know we're so afraid
Ah ah ah isolation
We're afraid to be alone
Everybody got to have a home
Ah ah ah isolation

Just a boy and a little girl
Trying to change the whole wide world
Ah ah ah isolation
The world is just a little town
Everybody trying to put us down
Ah ah ah ah ah isolation

I don't expect you to understand
After you've caused so much pain
But then again you're not to blame
You're just a human a victim of the insane

We're afraid of everyone
Afraid of the sun
Ah ah ah isolation
The sun will never disappear
But the world may not have many years
Ah ah ah ah ah isolation
