

Grant-Lee Phillips, Under The Milky Way

Sometimes when this place gets kinda empty
the sound of the breath fades with the light
I think about the loveless fascination
under the milky way tonight

lower the curtain down on Memphis
lower the curtain down on me
I got no time for private consultation
under the milky way tonight

wish I knew what you were looking for
might have known what you would find

and it's something quite peculiar
something shimmering and white
it leads you here, despite your destination
under the milky way tonight

wish I knew what you were looking for
might have known what you would find
wish I knew what you were looking for
might have known what you would find

and it's something quite peculiar
something shimmering and white
leads you here, despite your destination
under the milky way tonight

wish I knew what you were looking for
might have known what you would find
wish I knew what you were looking for
might have known what you would find

under the milky way tonight
under the milky way tonight
under the milky way tonight
