

# Grant-Lee Phillips, Under The Milky Way

Sometimes when this place gets kinda empty  
the sound of the breath fades with the light  
I think about the loveless fascination  
under the milky way tonight

lower the curtain down on Memphis  
lower the curtain down on me  
I got no time for private consultation  
under the milky way tonight

wish I knew what you were looking for  
might have known what you would find

and it's something quite peculiar  
something shimmering and white  
it leads you here, despite your destination  
under the milky way tonight

wish I knew what you were looking for  
might have known what you would find  
wish I knew what you were looking for  
might have known what you would find

and it's something quite peculiar  
something shimmering and white  
leads you here, despite your destination  
under the milky way tonight

wish I knew what you were looking for  
might have known what you would find  
wish I knew what you were looking for  
might have known what you would find

under the milky way tonight  
under the milky way tonight  
under the milky way tonight
