

# Grassroots, Wait A Million Years

(Gary Zekley - Mitch Bottler)

All of the lonely nights

Waiting for you to come, longing to hold you tight

I need you so desperately

Waiting for you to come bringing your love to me (but)

I'd wait a million years

Walk a million miles, cry a million tears

I'd swim the deepest sea

Climb the highest hill, just to have you near me

As love is reality

When you are near to me, I am in ecstasy

I'd swallow the pain and pride

Baby, I just can't hide all that I feel inside (and)

I'd wait a million years

Walk a million miles, cry a million tears

I'd swim the deepest sea

Climb the highest hill, just to have you near me

A million years, I would wait for you

A million tears, baby I'd be true

A million miles, I would follow you

A million years, if you want me to

Pacing the floor, detest

Sweat pouring down my chest, still I can't love you less

It's worth all the pain and pride

Baby, I just can't hide all that I feel inside (and)

I'd wait a million years

Walk a million miles, cry a million tears

I'd swim the deepest sea

Climb the highest hill, just to have you near me
