## Grateful Dead, Cocaine

Take a snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of this then play a little riff, dont be afraid to tryDont need no airplane to get off the ground the snip of the ground the ground
