

# Grave Digger, Keep On Rocking

Waiting tonight  
Your feelings spending bright  
Unbreathing of the life by brutal through

Wheels of fire  
Someone take higher  
Cold places but you are never know

Keep on rocking

Sing don't stop  
So rock me take you down  
Untesting the sacred high test you

Feel the power  
The blast magic war  
Excusing the dagger inside of you
