

# Grave Digger, Liar

Night is falling  
Brothers in blood  
Invincible in their faith

Deceiver, believer,  
Stronger than steel  
Insanity is what I feel

Here I stand  
Take my hand  
Let us flee  
To be free

I'm a liar  
I'm a sinner  
I feel pain  
Running through my veins

I'm a liar  
I'm a sinner  
I feel pain  
Of my own destiny

Fighting, dying,  
Revenge in blood  
Listen to the tongues of hate

Destroyer, betrayer,  
Witness of love  
Sadness is my lonely fate

Here I stand  
Take my hand  
Let us flee  
To be free

I'm a liar  
I'm a sinner  
I feel pain  
Running through my veins

I'm a liar  
I'm a sinner  
I feel pain  
Of my own destiny
