

# Grave, Extremely Rotten Flesh

Bodies rotting  
faces dark  
sent in forever fear  
all your flesh will rot

Rotten corpse,  
dead in cruelty and pain  
to end up in this special way  
Extremely rotten flesh

Trapped in a wooden case  
slaughtered at birth you died  
the fault of a deformed face  
you have to die

Bodies rotting  
faces dark  
sent in forever fear  
all your flesh will rot

Rotten corpse,  
dead in cruelty and pain  
to end up in this special way  
Extremely rotten flesh
