

Grave, Receiver

Your life has got no end
There's no exception tonight
For the prophecy to come true
Human sacrifice we need

Blindfold will make it easier for you as we proceed
Bloodstained, your white shroud will be bloodstained when we are done

Prepare for pain and pleasure
As the demons do their deed
So the unborn can be brought to
Our eternity

Blindfold will make it easier for you as we proceed
Bloodstained, your white shroud will be bloodstained when we are done

Demon semen
Brings life eternal
Behold the beauty
In the spawn of Satan

For the unholy one to succeed
The purest soul is used to conceive

Your life has got no end
There's no exception tonight
Prepare for pain and pleasure
As the dark one delivers

Demon semen
Brings life eternal
Behold the beauty
In the spawn of Satan
