

# Gravediggaz, 1-800-Suicide (Remix)

Verse One:

Back in the getto it reained for 40 days  
Ear like slain but I can't show no pain,  
Headache, enormous proportions is the size of a bucket  
pain killers can't touch it  
yo, what my little brothers gone  
Now i'm torn apart as I stand with the knife at my heart  
We shared the good and the bad times  
When ma broke out to the store  
it was half time  
I remember she came back  
and we'd get beatings with the  
(f\*\*k know's but it sounds like high wheeled track!)  
I felt the hurt from your own predicament  
Lost your scholarship  
Can't play pro ball with torn ligaments  
Career suddenly ended  
Your goals are offended  
Suicide deft tips recomended to try  
But you and I verse as we bless the earth  
So let us pour the wine preventing suicide

Verse Two:

Nicole's torn away from home at age 12  
In search of herself she found and angel of hell  
who decieved her like Eve  
and convinced her to leave  
Her family  
you can see she was very naive  
the fallacy she was taught was brain washed thoughts  
In a club with no culture  
Soon she was forced  
Into showing her skin tones for thin, grins and moans  
To please her saviour Jim Jones  
Her pop's was a ex-marine  
Him and his team  
got M-16's so they could blow up the scene  
They parachuted in  
Started shooting men  
Recruited by Jim  
Grabbed Nicole and threw her in  
To the trunk  
She was that close to drinking the punch  
And realized  
False prophets lead to suicide

Verse Three:

I was born at the bed of dawn  
Surrounded by men with horns  
Wicked forms  
But still I was happy to be born  
I grew up in a house of ten  
A mouse a men plus the vultures (F\*\*k knows!)  
Lacking oxygen  
Every night I dreemed I saw ghosts  
babies crying, Uncles dying, ma's trying  
Pop's lyin ma's going across his head with a frying pan  
Me and my man  
Made plans  
To boot the land and raise a fam (illy)  
But my man stands six feet in a box covered with sand

Tears are dropping  
Dropping all

Pull it back erase it kid  
But I figure  
That I got a little RZA

Genocide Homicide you won't figure this out till you die  
It's a suicide
