Intro: ryzarector, grym reaper

Aiyyo reaper, those kids out there say you're mad thirsty  
You got somethin for them to drink?  
Yo we can wet up two cups of blood

Verse one:

Arm to the leg, leg, on to the head! yo  
Be the ryzarector, resurrect the mental dead  
G to the r to the y m reaper  
As I get deeper than a crypt, resurrect, kid!  
Don't go against the grain, mad slang is my thang  
I leave the hearty party with a bang buzza  
Boom! check my tune, it gotcha hyper  
Don't give a f\*\*k about a sucker c-cipher!  
As you decipher the tricks of a viper  
Swine is lethal! ... is evil!  
I am original, we can build upon  
The ill form, and keep all your braincells warm!  
Hocus pocus, yo! what's the focus?

Weak techniques you speak, the shit is bogus  
Even in a mortuary, slangin' some boom  
As I seek the knowl' from the womb to the tomb

Verse two:

Yo!  
Deadly, deadly, hyah! get ready  
Here come the styler, wilder than freddy  
Dead  
Cause a krueger, boom, I do ya  
Just to let ya know gravediggaz comin' through ya  
Dead stinkin' rotten, your braincells forgotten  
The past, you had your bumba raas pickin' cotton  
Now ya hate ya knotty hairstyles  
I guess you figure the texture is too wild  
Child  
Two cups of blood, boy  
Two cups of blood, girl  
Aw, drink that shit up
