

# Graveland, W Objecia Smierci

[bonus track: Polish version of "Into Death's Arms"]

.....

Death is part of life  
And life is part of death

Here on ancient tumulus  
Of our ancestors  
May our awareness, will and spirit  
Join the past and the future  
Of our blood and folk  
To reach roots of our strength  
And restore ancient glory...

Here among tumulus and stone circles  
Our fate is bound  
Our heritage and spiritual identity  
Hidden deep in the earth  
Reach hidden heritage  
And restore ancient  
Power and glory...
