

# Grayarea, Gravity (Hybrid's Love From Llanfair~ P

You gave away,  
The one thing you held dear.  
Just won't stop,  
The ringing in your ear.  
Through the glass,  
Your world looks hazy.  
The thirst has got,  
You going crazy.

Too far gone.  
Too far gone.  
Too far gone.  
Too far gone.

I promised you,  
You know it was a lie.  
Couldn't save you,  
If I tried.  
Your scars they cut,  
Way to deep.  
So now I'll put,  
This lonely love to sleep,

Too far gone.  
Far gone.  
Far gone.  
Far gone.

Far gone.  
Far gone.  
Far gone.
