

# Great Big Sea, Hangin' Johnny

Oh they call me Hangin' Johnny  
Away, boys, away  
But I never hanged nobody  
And it's hang, boys, hang

Well, first I hanged me mother  
Away, boys, away  
Me sister and me brother  
And it's hang, boys, hang

Well, next I hanged me granny  
Aawy, boys, away  
Well, I'd hang the holy family  
And its hang, boys, hang

Well I never hangs for money  
Away, boys, away  
It's just that hangin's so bloody funny  
And it's hang, boys, hang

Oh they calls me Hangin' Johnny  
Away, boys, away  
But I never hanged nobody  
And it's hang, boys, hang
