

Great Big Sea, Here Comes My Baby

In the midnight, moonlight hour
I keep walking alone that lonely mile.
And every time i do,
I keep seeing this picture of you.

Here comes my baby, here she comes now.
And it comes as no surprise to me, she's with another guy.
Here come my baby, here she comes now.
Walking with a love, with a love thats so, so fine
But never to be mine, no matter how i try.

Oh you never walk alone,
And you're forever talking on the phone.
I try to call your name,
But everytime it comes out the same!

Here comes my baby, here she comes now.
And it comes as no surprise to me, she's with another guy.
Here come my baby, here she comes now.
Walking with a love, with a love thats so, so fine
But never to be mine, no matter how i try.

Here comes my baby, here she comes now... (x5)
