

# Great Big Sea, My Apology

It's not the way that I intended this  
I didn't realize how much I would miss  
But with every parting of our company  
I hate to think what it has done to me

It didn't seem  
That I was sorry  
This has to be  
My Apology

When cruelty comes with blind indifference  
My humanity becomes the best defence  
But if you consider the alternative  
I really didn't have that much to give

It didn't seem  
That I was sorry  
This has to be  
My apology

A tragic victim of my circumstance  
Never give the devil a second chance  
If you do, you know that you can never win  
Probably best to forget and begin again

Can't you see  
That I am sorry  
This has to be  
My Apology
