

Great Big Sea, Sea Of No Cares

When you're in love, there's no time and no space
There's a permanent smile on your face
Your friends all complain that you're going insane
But the truth is they're just afraid

Chorus

Hey somewhere,
you threw your fear in the Sea of No Cares
Hey somewhere,
you threw your fear in the Sea of No Cares

When you decide that what counts is inside
Your friends all say it's a lie
But there's no brighter light than the look in her eyes
When you're walking her home through the night

Chorus

Bridge

Let your self go with the tide
There's an angel by your side
Tonight

Back at the bar getting cynically stoned
Your friends are drinking alone
But it's funny, they don't even cross your mind
When she asks you into her home
