

# Great Big Sea, Shines Right Through Me

These days i feel a change  
All the patterns rearranged  
Though I can't explain  
I know I'm not afraid

Now I realize  
All good things can be supplied  
And they come from you  
They come from you

It's all brand new and it shines right through  
(shines right through me)  
I look at you and shines right through  
(shines right through me)

This feeling that I found  
Is like sleeping on a cloud  
Smiling at the sky  
Not even knowing why

Strange how things work out  
But i know without a doubt  
That it comes from you  
It comes from you

Break me out of emptiness  
Lead me to your light  
Anything worth having  
Is worth some sacrifice

Laid too long in loneliness  
This world was made to change  
Half an hour of sunshine  
Is worth a week of rain

Air is flowing free  
It's a little easier to breathe  
This soul unbound  
Was lost and found

No reason left to hide  
I feel a light inside  
And it comes from you  
It comes from you
