

Great White, Afterglow

(S. Marriot, R. Lane)

Your love

Love is all around me

Everywhere

Love has come to touch my soul

With someone who really cares

No one can deny us

People who once passed me by

Will turn their heads

I'm happy just to be with you

And lovin' you the way I do

Is everything I need to know

Just restin' in the afterglow

You

Yes, you have always been here

A feelin' deep inside

A feelin' that I could not see

Or touch, or try to hide

My love is in and without you

I bless the day that I found you

So listen baby

I'm happy just to be with you

Love is like a voice in my head

Keeps turning out the things that we said
