

# Great White, Rock Me

(Kendall, Russell, Niven, Lardie)

Sweet little baby,  
you don't have to go  
Little baby,  
tell me you won't go  
We'd be so good together  
if we had the time  
Bein' alone's  
a nowhere state of mind  
Lovin' ain't no crime, oh no  
I see your man ain't here.  
He don't care  
The way of the night has gone.  
We'll move on  
Got to find a way  
to face another day  
I search the world  
for someone I'll never find  
Someone who ain't the hurtin' kind  
If you stay the night.  
We'll make the wrong seem right  
So come on now...  
Rock me  
Rock me  
Roll me through the night  
We'll burn in love tonight  
Sweet little baby,  
oh don't you go  
You ain't so innocent, I know  
I know your heart's like mine, oh yeah  
And I will find the time  
to make you mine  
And if your love goes bad,  
if it makes you sad  
I'll be back for more  
at your door  
Before the mornin' light,  
we'll burn with love tonight  
And when your man don't care,  
I will be there  
Still be lovin' real good love...  
There's nothing left to do,  
but make sweet love to you
