

Great White, Save Your Love

(Russell, Williams)

I wake in the night
to find you on my mind
Deep in a dream,
you'll always be
until the end of time
I look in your eyes
They touch my soul
My love is hard to hide
I'm never alone when we're apart.
I feel you by my side
And here in my heart,
where no one else will ever be
I know who you are,
so lock the door and throw away the key
Save all your love
Save your love for me
When I'm alone at night,
you're all I see
I wake from a dream
and see you by my side
How could I belong to someone else,
when holdin' you feels so right?
And here in my heart
where no one else will ever be
We've made it so far,
so lock the door and throw away the key
Save all your love
Save all your love for me
When I'm alone at night,
you're all I see
Save all your love
Save your love for me
Don't turn your back on me
You're all I need
