## Great White, Save Your Love

(Russell, Williams) I wake in the night to find you on my mind Deep in a dream, you'll always be until the end of time I look in your eyes They touch my soul My love is hard to hide I'm never alone when we're apart. I feel you by my side And here in my heart, where no one else will ever be I know who you are, so lock the door and throw away the key Save all your love Save your love for me When I'm alone at night, you're all I see I wake from a dream and see you by my side How could I belong to someone else, when holdin' you feels so right? And here in my heart where no one else will ever be We've made it so far, so lock the door and throw away the key Save all your love Save all your love for me When I'm alone at night, you're all I see Save all your love Save your love for me Don't turn your back on me You're all I need
