

Grebenshikov Boris, Fields Of My Love

Hello sweet victory
So nice meeting you here
Mmm, mmm
So strange when you think about it
I never did anything out of my way
I just strayed...

CHORUS

Out in the fields of my love
Out in the fields of my love
Out in the fields of my love
Well met and thank you
I'm glad you taught me so well
It was fun being around for a while
So sad you have to stay here
Or, can you spread out your wings and fly with me...

CHORUS
