

Green Apple Quick Step, Rapid

Rapid flow
Of suburbia
Ironically
It's you motherly
Anti-confusion
Genocide
The human

Can't you see
what you've done
Don't hurt me
I didn't do anything
no no no

Gonna have no fun
When there is no one
Teach me indian
How to listen

Build a bridge
Over my sky
Drive your car now baby
To the other side
I want you to see
Just what you're doing to me
Anti-confusion
Genocide
The human

Can't you see
What you've done
Don't hurt me
I didn't do anything
No no no

Gonna have no fun
When there is no one
Teach me indian
How to listen

I could win the lottery
But I don't know what the numbers will be
And if I did I would buy you a house
And I would write a song for free
