

Green Carnaton, Hight Tide Waves

Hear that something... A pale and misty sound
The more things change, the more they stay the same
Heading out in High Tide Waves
Not afraid to fall, I'm older now, I'm standing tall
I'm holding head above water
Ain't going down
I'm holding head above water
Ain't gonna drown, ain't gonna drown
I'm holding head above water
Can't hold me tied
I'm holding head above water
You can't break me... ahredded pieces
I've spoken different words... A grey soar voice
Different lines, remains the same
Heading out in High Tide Waves
Not afraid to fall, I'm older now, still standing tall
On this quest for answers, shaped my eyes
Without anger, wasted lines
Can't you sense this feeling, fell it flow
I am stronger now, (I've) let the tension go
I'm holding head above water
Ain't going down
I'm holding head above water
Ain't gonna drown, ain't gonna drown
I'm holding head above water
Can't hold me tied
I'm holding head above water
You can't break me... ahredded pieces
