

Green Day, American Idiot Live

Don't wanna be an American Idiot
Don't want a nation under the new media
And can you hear the sound of hysteria?
The subliminal Mindfuck America

Alright!

Welcome to a new kind of tension
All across the alieNation
Everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
Well that's enough to argue

England!

Well maybe I'm the faggot America
I'm not a part of a Redneck Agenda
Now everybody do the Propaganda
And sing along in the Age of Paranoia

Alright!

Welcome to a new kind of tension
All across the alieNation
Everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
Well that's enough to argue

C'mon!

Alright England!
I say Hey oh!
Let's sing Hey Oh!
Hey Hey Hey Hey...

Alright!
Are you guys ready to sing along?
I want you to sing so loud
That every fucking Redneck in America
Hears you tonight alright!

Don't wanna be an American Idiot
One nation controlled by the media
Information nation of hysteria
