

Green Day, Bobby Sox

Do you wanna be my girlfriend?
I'll take you to a movie that we've already seen
Or sit at home and watch reruns
There's no other place I'd wanna be

Do you wanna be my girlfriend?

Do you wanna be my boyfriend?
We'll walk the cemetery and I'll kiss you again
And make our dead friends blush
We'll be getting married right there on the scene
Do you want to be my best friend?
You can drive me crazy all over again
And I'll bore you to death
Doesn't matter when we are in love

Do you wanna be my boyfriend?

You're not just any type of girl
My one true love and you're my world

Do you wanna be my girlfriend?
Do you wanna be my boyfriend?
Do you wanna be my

Do you wanna be my girlfriend?
Do you wanna be my boyfriend?
Do you wanna be my
