

# Green Day, Chump

I don't know you  
But, I think I HATE you  
You're the reason for my misery  
Strange how you've become  
my biggest enemy  
And I've never even seen your face

Maybe it's just jealousy  
Mixing up with a VIOLENT mind  
A circumstance that doesn't make much SENSE  
Or maybe I'm just DUMB

You're the cloud hanging out over my head  
Hail comes crashing down  
wetting my face  
MAGIC MAN, EGOCENTRIC PLASTIC MAN  
Yet you still get one over on me

Maybe it's just jealousy  
Mixing up with a VIOLENT mind  
A circumstance that doesn't make much SENSE  
Or maybe I'm just DUMB
