

Green Day, Going To Pasalacqua

Here we go again, infatuation
Touches me just when I
Thought that it would end
Oh but then again it seems
Much more than that but
I'm not sure exactly what you're thinking

Well, I toss and turn all night
Thinking of your ways of effection
But to find that it's not different at all
I throw away my past mistakes
And contemplate my future
That's when I say...
What the hey!

Would I last forever?
You and I together, hand and hand
We run away (far away)
I'm in for nasty weather
But I'll take whatever you can
give that comes my way (far away)
