Green Day, Poprocks & Coke

Wherever you go You know III be there If you go far, You know III be there III go anywhere, So III see you there You place the name You know III be there You name the time You know III be there III go anywhere So III see you there

I dont care if you dont mind III be there not far behind I will dare Keep in mind III be there for you

Where theres truth You know III be there Amongst the lies You know III be there III go anywhere So III see you there

I dont care if you dont mind III be there not far behind I will dare Keep in mind III be there for you

If you should fall You know III be there To catch the call You III be there III go anywhere So III see you there

I dont care if you dont mind III be there not far behind I will dare Keep in mind I dont care III be there for you III be there for you
