

Green Day, Rock You Like A Hurricane

Its early morning
The sun comes out
Last night was shaking
And pretty loud
My cat is purring
And scratches my skin
So what is wrong
With another sin
The bitch is hungry
She needs to tell
So give her inches
And feed her well
More days to come
New places to go
Ive got to leave
Its time for a show

Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane

My body is burning
It starts to shout
Desire is coming
It breaks out loud
Lust is in cages
Till storm breaks loose
Just have to make it
With someone I choose
The night is calling
I have to go
The wolf is hungry
He runs the show
Hes licking his lips
Hes ready to win
On the hunt tonight
For love at first sting

Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane
Rocked you like a hurricane

Its early morning
The sun comes out
Last night was shaking
And really loud
My cat is purring
It scracthed my skin
So what is wrong
With another sin
The night is calling
I have to go
The wolf is hungry
He runs the show
Hes licking his lips
Hes ready to win
On the hunt tonight
For love at first sting

Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane
Here I am, rocked you like a hurricane

Here I am
