Green Day, Rock You Like A Hurricane

Its early morning The sun comes out Last night was shaking And pretty loud My cat is purring And scratches my skin So what is wrong With another sin The bitch is hungry She needs to tell So give her inches And feed her well More days to come New places to go Ive got to leave Its time for a show

Here I am, rocked you like a hurricane Here I am, rocked you like a hurricane

My body is burning It starts to shout Desire is coming It breaks out loud Lust is in cages Till storm breaks loose Just have to make it With someone I choose The night is calling I have to go The wolf is hungry He runs the show Hes licking his lips Hes ready to win On the hunt tonight For love at first sting

Here I am, rocked you like a hurricane Rocked you like a hurricane

Its early morning The sun comes out Last night was shaking And really loud My cat is purring It scracthed my skin So what is wrong With another sin The night is calling I have to go The wolf is hungry He runs the show Hes licking his lips Hes ready to win On the hunt tonight For love at first sting

Here I am, rocked you like a hurricane Here I am
