

# Green Day, Viva la Gloria!

Hey Gloria  
Are you standing close to the edge?  
Lookout to the setting sun  
The brink of your vision  
Eternal youth is  
A landscape of the lie  
The cracks of my skin can prove  
As the years will testify  
Say your prayers and light a fire  
We're going to start a war  
Your slogans a gun for hire  
It's what we waited for  
Hey Gloria,  
This is why we're on the edge  
The fight of our lives been drawn to  
This undying love.  
Gloria, Viva La Gloria  
You blast your name  
In graffiti on the walls  
Falling through broken glass that's  
Slashing through your spirit  
I can hear it like a jilted crowd  
Gloria, where are you Gloria  
You found a home  
In all your scars and ammunition  
You made your bed in salad days  
Amongst the ruin  
Ashes to ashes of our youth  
She smashed her knuckles into winter  
As autumn's wind fades into black  
She is the saint on all the sinners  
The one that's fallen through the cracks  
So don't put away your burning light  
Gloria, where are you Gloria  
Don't lose your faith  
To your lost naivete  
Weather the storm and don't look  
Back on last November  
When your banners were burning down  
Gloria, viva la Gloria  
Send me your amnesty down  
To the broken hearted  
Bring us the season  
That we always will remember  
Don't let the bonfires go out  
So Gloria,  
Send out your message of the light  
That shadows in the night.  
Gloria, where's your undying love?  
Tell me the story of your life.
