

# Green Day vs. Oasis, Boulevard of Broken Songs

I walk a lonely road  
The only one that I have ever known  
Don't know where it goes  
But it's home to me and I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you  
I walk this empty street  
On the Boulevard of Broken Dreams  
Where the city sleeps  
And I'm the only one and I walk alone  
By now you should've somehow  
Realized what you gotta do  
(I walk alone, I walk alone)  
I don't believe that anybody  
Feels the way I do about you now  
(I walk alone, I walk alone)  
My shadow's the only one that walks beside me  
My shallow heart's the only thing that's beating  
Sometimes I wish someone out there will find me  
'Til then I walk alone  
Every day I wake up and it's Sunday  
Whatever's in my head won't go away  
The radio is playing all the usual  
And what's a wonderwall anyway  
Backbeat the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now  
I'm walking down the line  
That divides me somewhere in my mind  
On the border line  
Of the edge and where I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you  
Read between the lines  
What's fucked up and everything's alright  
Check my vital signs  
To know I'm still alive and I walk alone  
Today is gonna be the day  
That they're gonna throw it back to you  
(I walk alone, I walk alone)  
By now you should've somehow  
Realized what you gotta do  
(I walk alone, I walk alone)  
And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
But I don't know how  
I walk this empty street  
On the Boulevard of Broken Dreams  
Today is gonna be the day  
That they're gonna throw it back to you  
I walk this empty street  
On the Boulevard of Broken Dreams  
By now you should've somehow  
Realized what you gotta do  
Where the city sleeps  
and I'm the only one and I walk alone  
Because maybe  
My shadow's the only one that walks beside me  
(You're gonna be the one that saves me)

My shallow heart's the only thing that's beating  
(You're gonna be the one that saves me)  
Sometimes I wish someone out there will find me  
(You're gonna be the one that saves me)  
'Til then I walk alone  
Sing with me (sing)  
Sing for the year (sing)  
Sing for the laughter, sing for the tear  
Sing with me, if it's just for today  
Maybe tomorrow the good lord will take you away...
