Do you think that you can fight me?

You worthless, little worm!

Fight! Fight! Fight!

The fighting must go through, I'll kick you when you're down,

Back-stabbing shit-heads (censored???), laughing like a clown,

Cop, you wanna go through? Shoot you when you're down,

Back-stabbing shit-heads (censored???) throwing you like you've flown,

Fight! Fight! Fight! Fight! Fight!

I am not a liar, worthless, little cunt (censored???),

Rip you all and loving it when I kick you, when I cut,

Ah, you little shit-heads (censored???), you will be a fool,

If you are, you'll feel it when I (f\*\*k but censored??) with a tool,

Shitty (censored???) town weasle, stealing what you got,

Spooked you wide open when I give you one more shot,

Ah, you little bastard (censored???), you won't be a fuss,

Fast little bastard (censored???), probably die a wuss,

Fight! Fight! Fight! Fight! Fight!

I am not a liar...
