

Green Lizard, Gone

Sometimes things don't turn out
Like you want them to
Try to find your way
Give yourself away

She chose not to be here
She chose life instead
Tried to find her way
Took my heart away

At night I lay awake
Pretend that you're right here
But when the new day breaks
I know you'll disappear

And it feels like I've been here so long
You don't know what you've got till it's gone

Please believe when I say
I don't hold a grudge
Try to find a way
To give myself away

Sometimes I can hear you
Whispering soft to me
Give myself away
Drive myself insane

At night I lay awake
Pretend that you're right here
But when the new day breaks
I know you'll disappear

And it feels like I've been here so long
You don't know what you've got till it's gone

Thoughts broken
I sink low
Too close by
Eyes hurt so
I lose hope
Life flows away

Because it feels like I've been here so long
You don't know what you've got till it's gone
And it feels like I've been here so long
You don't know what you've got till it's gone
