

Green River, Ain't Nothin' To Do

I'm so sick of TV, ain't nothing I wanna do
And I'm so sick of romance, I'm getting real sick of you
Gotta get on out of here, find me something to do
I wanna get on out of here, just ain't nothing to do
I'm so sick of FM, even Casey of you
Gonna get out on the streets, man, just ain't nothing to do
Gotta get on out of here, find me something to do
I'm gonna get on out of here, just ain't nothing to do, no!
Ain't nothing to do
Gonna beat up the next hippie, man
Then I'll be beating up you
Ain't nothing to do, ain't nothing to do
Just ain't nothing to do
Gonna knock up that little girl over there
Then I'll be knocking up you
Ain't nothing to do
Ain't nothing!
