

Green River, Forever Means

This ain't no social call
I don't come for fun at all
This ain't no social call
Bet you're wantin' fun

What you see is what you get
I ain't seen nothing I want yet
This is stronger than the day I die
This is stronger than the day I die

Some things are better left unsaid
Some things are better left unthought
Some things are better left for dead
Some things are better left (burning)

What you get is what you see
Look out, I don't aim to please
Forever means nothing to me right now
Forever means nothing to me right now

This ain't no social call
I ain't here for your fun at all
This ain't no social call
Too bad you were expecting fun
