

# Green River, Swallow My Pride

She looked at me with dignity, said  
"Baby, there's one thing you've gotta see  
Even though we're headed for war  
this nation's prouder than ever before  
Yes, there's a sprit in the air  
We're more American than anywhere!"  
Well, I just smiled 'cuz I could tell  
This little girl's going to hell

All the warmth in her heart can't keep  
My blood from running cold  
First I fell for her looks  
Now I just wanna go for the throat  
I tried to tell her a hundred times  
Poor little girl didn't understand at all  
Pride comes before a fall

This ain't the summer of love...  
I don't know what you're thinkin'  
This ain't the summer of love  
This ain't the garden of Eden  
There ain't no angels above  
Things ain't what they used to be  
This ain't the summer of love  
It's the summer of fuck  
"ohhhh"
