

# Greenskeepers, Fifteen Minutes

Flashback: on the Saturday night.  
Would you tell me please, if we got in a fight?

When I think about it, it gets all blurry.  
did you make love to me or were you in a hurry?  
Flashback. last saturday night.

Flashback. last saturday night.  
No clue what happened, was it feeling right?

I looked into the mirror, what was that I said?  
I can not recall but there I was alone in bed.  
Flashback. last saturday night.

Please please don't fade away.  
I think I had something more to say.  
Another fifteen minutes with you.

Please please come back our way.  
I don't need another play.  
Just fif-fifteen minutes with you.

'can't wait, for next Saturday night.  
Will we see each other dance the night away-we might.  
Let's promise: lock the door when you would have been done.  
You know you're not the only one.  
'can't wait, for next Saturday night.

Please please don't fade away.  
I think I had something more to say.  
Another fifteen minutes with you.

Please please come back our way.  
I don't need another play.  
Just fif-fifteen minutes with you.  
Flashback. last saturday night.

Please please don't fade away.  
I think I had something more to say.  
Another fifteen minutes with you.  
Flashback. last saturday night.

Please please come back our way.  
I don't need another play.  
Just fif-fifteen minutes with you.
