

Greenslade, Bedside Manners Are Extra

Now that you know I'm not the kind to be kind to be cruel
Would you resist a small goodbye, but a kiss would be cool
Maybe you're too young to be fooled, I know
Bedside manners were extra at finishing school

Many a cloud has passed, the last time I loved didn't last
Although it's goodbye, the old school tie came in useful but fast
Your mother and father weren't to know what we already know

Please write to me if you have the time
Please write to me, let me know you're mine
Please write to me, please fly to me, please

Have a holiday
Happy holiday love
