

# Greenwheel, Breath

I  
Played the fool today  
And I  
Can see us vanishing into the crowd  
Longing for home again  
But home  
Is a feeling I buried in you

I'm alright  
I'm alright  
It only hurts when I breathe

And I can't ask for things to be still again  
No I can't ask for you  
To offer the world through your eyes  
Longing for home again  
But home  
Is a feeling I buried in you

I'm alright  
I'm alright  
It only hurts when I breathe  
I'm alright  
I'm alright

It only hurts when I breathe

My window through which  
Nothing hides  
And everything sings  
I'm counting the signs  
And cursing the miles in between

But home  
Is a feeling I buried in you  
That I buried in you

I'm alright  
I'm alright  
It only hurts when I breathe  
I'm alright  
I'm alright  
It only hurts when I breathe

When I breathe  
It only hurts when I breathe  
When I breathe  
It only hurts when I breathe
