

Greg Laswell, Off I go

Loose ends, they tangle down
And then take flight
But never tie me down
Never tie me down.

Loose ends, they tangle down
And then take flight
But never tie me down
Never tie me down.

Off I go.

Where I fall
Is where I land.

Off I go.

Where I fall.
Is where I land.

Loose ends tangle down
And then take flight
But never tie us down
And never tie us down.

Loose ends tangle down
And then take flight
But never tie us down
And never tie us down.

Off I go.

Where I fall
Is where I land.

Off I go.

Where I fall
Is where I land.

Ahhhhhhh....

Off I go.

Where I fall
Is where I land.

Off I go.

Where I fall
Is where I land.
