

Greg Trooper, When My Tears Break Through

<!-- Greg Trooper When My Tears Break Through by Greg Trooper

F Bb F
Sometimes I lie in bed when the night is still and wonder why
F Dm Bb F
Living everyday in a world of bad news and I just don't cry
Bb F
Not when the war begins
Bb F
Not when the fairytales ends
Bb Dm Bb
But you say you love me and I know it's true
F C F
That's when my tears break through
F Bb F
Seems like everyday there's a heavy load waiting at my feet
Dm Bb F
I just pick it up til my back is bowed and head up the street
Bb F
I don't cry when the dam comes down
Bb F
River wash away the whole damn town
Bb Dm Bb
When you offer me a hand I can hold on to
F C F
That's when my tears break through
Bb C F
I feel no pain and sorrow
Bb C F
When you leave me standing on the avenue
Bb C Dm Bb
But when you tell me you'll be back tomorrow
F C Dm Bb
That's when my tears break through
F C F
That's when my tears break through

SOLO

F Bb F
I can walk around in this dirty old town all alone
F Dm Bb F
No matter what i see staring back at me my eyes are dry as a bone
Bb F
The wretched and lost reaching to me
Bb F
Like I can rescue them from misery
Bb Dm Bb
But when you look at me the way you do
F C Dm Bb
That's when my tears break through
F C Dm Bb
That's when my tears break through
F C F
That's when my tears break through
