

Gregg Alexander, I Wanna Seduce You

In you, it feels so good when i go under your hood
the wayyou move unusual and baby, i dont mean to talk dirty
i respect you like a slap in the face
But baby, im in this for the kill
not the thrill of the chase

****Chorus****

I wanna seduce you
let me put my hand in your glove
I wanna seduce you
uh, huh, uh huh!

Skis moves like and addicted groove
your beds the drug my ritual
and baby

In you, it feels so good when i go under your hood
the wayyou move unusual and baby, i dont mean to talk dirty
i respect you like a slap in the face
But baby, im in this for the kill
not the thrill of the chase.

****Chorus****

I wanna seduce you
let me put my hand in your glove
I wanna seduce you
uh, huh, uh huh!
