

Gregg Alexander, In The Neighbourhood

I'll be in the neighborhood
trying my best to be good
Hoping theres a chance for you and me
I'll be in the neighborhood
I'll be in the neighborhood
wondering if you still would?
Give another chance to you and me
I'll be in the neighborhood

I'll be up on Main Street
where all of the lovers meet
I'll be where the people shout
cryin' my eyes out
And if you change your mind
you know just where I can be found
Waiting for you
I'll be in the neighborhood

I'll walk up and down your block
Untill your neighbors call the cops
But puttin' me in jail won't do no good
Cuz it's still in the neighborhood
Don't try sneakin' to Timbaktu
Cuz I'll be right behind you
Tryin' to lose me baby won't do no good
Cuz I'll be in the neighborhood

I'll be up on Main Street
where all the lovers meet
I'll be where the people shout
cryin' my eyes out
And if you change your mind
You know where I can be found
Waiting for you
I'll be in the neighborhood

Time goes so fast I don't even know where I am
