Gregorian, Hymn

Valley's deep and the mountains so high, if you want to see God you've got to move to the other side. You stand up there with your head in the clouds, don't try to fly you know you might not come down. Don't try to fly, dear God, you might not come down. Jesus came down from Heaven to earth The People said it was a virgin birth Jesus came down from Heaven to earth The People said it was a virgin birth He told great stories of the Lord And said he was the saviour of us all He told great stories of the Lord And said he was the saviour of us all For this they/we killed him, nailed him up high He rose again as if to ask us why Then he ascended intop the sky As if to say in God alone you soar As if to say in God alone we fly. Valley's deep and the mountains so high, if you want to see God you've got to move to the other side. You stand up there with your head in the clouds, don't try to fly you know you might not come down. Don't try to fly, dear God, you might not come down
